PFA113
Fort Lytton

The Fort Lytton picnic setting range is made from our own ECOPLASWOOD product, which is a recycled plastic material manufactured to look like wood but designed to last a lot longer. Ecoplaswood will not rot, warp, fade, craze or split. This product is impervious to insects, salt water, hot and cold weather extremes and it is graffiti proof.

Available in 3 standard sizes. the Fort Lytton range is suitable for public spaces where long lasting picnic settings are placed.
