PFA2017
Barakula
Junior

The Barakula Junior is highly sought after by junior schools and younger children, making it an ideal choice for educational settings. It boasts an easy assembly process and comes in the standard length of 2 meters, comfortably seating 6-8 kids.

Made from sustainable aluminium which is 100% recyclable, the Barakula Junior is easy to clean and maintain. Impact resistant, this setting which is either free standing or fixed in place is perfect for all manner of applications.
