PFA210
Fraser

This picnic setting is a modern take on the original classic design — built tough, built to last. Crafted from high-grade marine aluminium, it's incredibly strong, sturdy, and corrosion resistant, making it ideal for the harsh Australian outdoors.

Proudly manufactured in our Brisbane workshop, every piece is assembled with precision using locally and sustainably sourced materials. Designed specifically for Australian conditions, this setting offers long-lasting durability with minimal maintenance.

Perfect for parks, schools, and public spaces where reliability and strength matter most.
