Burke Setting – Built for Strength, Designed for Versatility

The Burke Setting is a clean, durable, and practical outdoor solution that suits a wide range of spaces from busy schoolyards to coastal parks. Its minimalist design blends easily into any environment while delivering reliable performance in even the toughest Australian conditions.

Designed for permanent installation, the Burke Setting can be securely surface-mounted to concrete or custom-made for in-ground installation.

A cost-effective choice that delivers lasting value, comfort, and style to any public space.
